NPS AERO PRESS COFFEE DRIPPER STAND

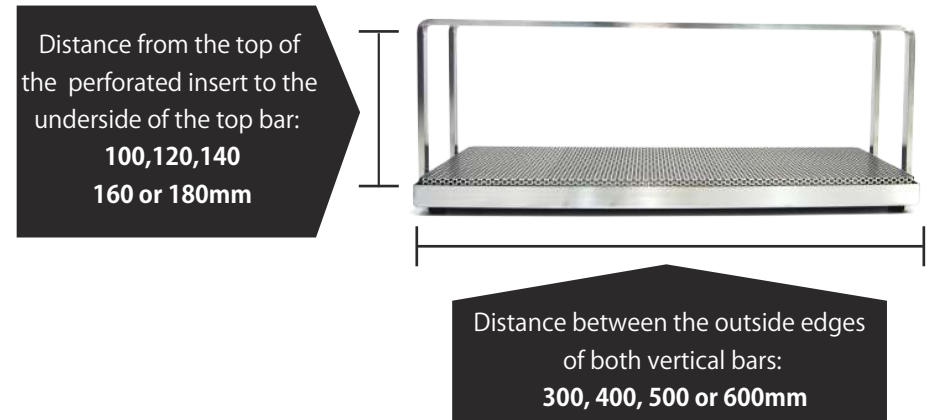

NPS Dripper Stand For Aero Press® Coffee

This stand was manufactured specifically for users of the Aero Press® Coffee System. With its wider and thicker bars (specs are wider and thicker than NPS's standard Dripper Stand), it can tolerate loads of more than 100kg. This Stand includes a perforated stainless steel spill tray with perforated stainless steel insert. Using this elegant the stand, coffee can be served in glass or paper cups directly in front of customers.

20 Custom Sizes to Choose From:

You may order your NPS Coffee Dripper Stand according to the exact dimensions of your Aero Press® Coffee System, cups, pitchers pots and other equipment.

※Special custom sizes also available.
