

NPS®  
COFFEE DRIPPER STAND

# NPS COFFEE DRIPPER STAND (with Tray)

## Fascinate Your Customers

This NPS Coffee Drinker Stand invites your customers into the fascinating world of custom coffee-making. This is our standard model.

Made of brush-finished stainless-steel, the stand is easy to keep clean. It has been designed to be used for any occasion. Moreover, with the removable perforated insert, you don't need to worry about spilling liquids.

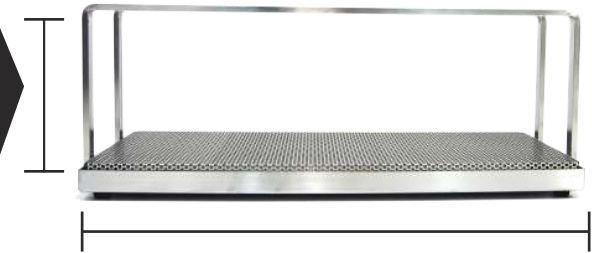

## 20 Custom Sizes to Choose From:

You may order your NPS Coffee Drinker Stand according to the exact dimensions of your cups, pitchers or pots.

Distance from the top of the perforated insert to the underside of the top bar:

**100,120,140  
160 or 180mm**

Distance between the outside edges of both vertical bars:

**300, 400, 500 or 600mm**

## WIDE Model

There is a different size version of the Coffee Drinker Stand and Coffee Drinker Stand Light called "Wide" Model, for large drippers which don't fit our standard Coffee Drinker Stand (65mm). The distance between the inside edges of the two bars is increased from 65mm to 75mm on the Wide Model.

Also available with the Wide Model is a special adapter plate for drippers which may have protrusions on the underside, depending on their shape. This adapter plate is useful for stabilizing a variety of unique drippers.
