## Fascinate Your Customers

This is a light-version model of NPS's Coffee Dropper Stand which fascinates and delights customers by peaking their senses and showing them how their coffee.

This simple Stand can be used for any occasion. The NPS Coffee Dropper Stand Light can be used not only with cups and mugs, but with scales, warmers, and of course, pots as well.

## 20 Custom Sizes to Choose From:

You may order your NPS Coffee Dropper Stand Light according to the exact dimensions of your cups, pitchers or pots.

### WIDE Model

There is a different size version of the Coffee Dropper Stand and Coffee Dropper Stand Light called "Wide" Model, for large drippers which don't fit our standard Coffee Dropper Stand (65mm). The distance between the inside edges of the two bars is increased from 65mm to 75mm on the Wide Model.

Also available with the WideModel is a special adapter plate for drippers which may have protrusions on the underside, depending on their shape. This adapter plate is useful for stabilizing a variety of unique drippers.
